Good morning John

I would like to thank you for taking the time to write to Australia Post regarding the future of postal services at Mount Molloy. Australia Post has a long history of delivering vital community services in the Mount Molloy township through the local Post Office and it is clear the community highly values the presence Australia Post has previously had in the township.

We appreciate the current temporary arrangement is not ideal but has ensured continuity of basic postal services to minimise disruption to the Mount Molloy community as an interim arrangement.

We have received a lot of feedback over the last few days. Please rest assured that we are committed to putting in place a solution that secures the long-term viability of this important community service in your town.

We will provide you with a further update later this week.

With regards

Pauline
